Enter the information in the fields as per the examples.

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

1	Student Name	<input type="text" value="Danny"/>
	Access ID	<input type="text" value="bro726"/>
	Access Password	<input type="password" value="..."/>
	Relationship	<input type="text" value="Mother"/>
2	Student Name	<input type="text"/>
	Access ID	<input type="text"/>
	Access Password	<input type="password"/>

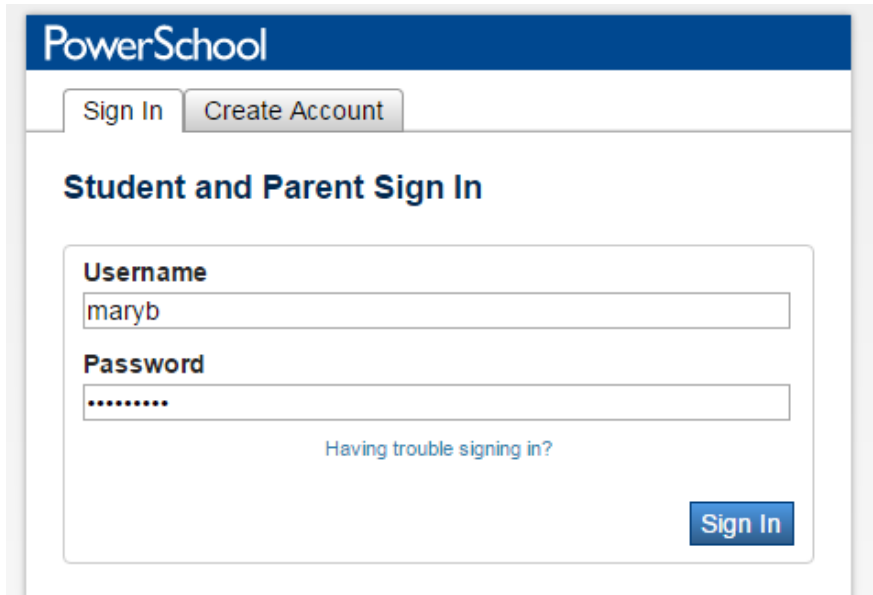

You will find the Access ID and Access Password information for your child/children from a letter received from your child's school. If you do not have this information it may be requested from the school office.

Access ID	<input type="text"/>
Access Password	<input type="password"/>
Relationship	<input type="text" value="-- Choose"/>

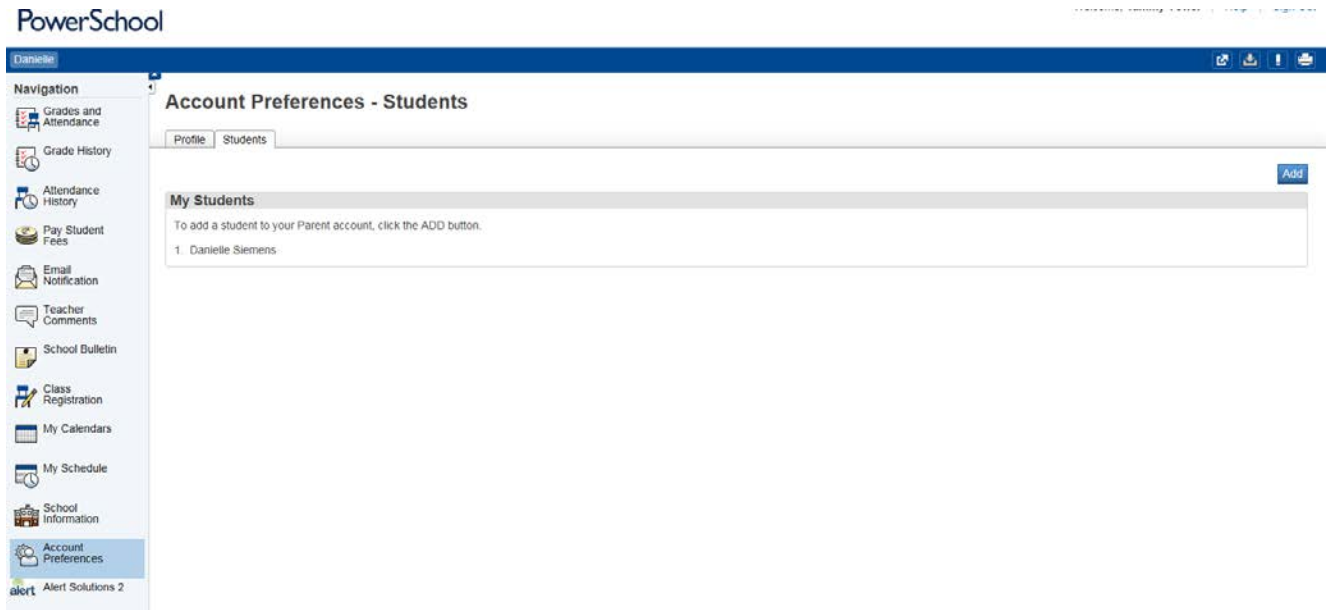

When you have entered all your information, click on enter at the bottom of the page. You need information for at least one child to set up an account, but are able to add additional children via Preferences in the portal once the account is set up.

Once you have set up your account, you should be able to return to the Sign In page and log into your account using the username and password that you set up for yourself.

To add an additional student to your account select 'Account Preferences' from the left hand menu, click on the 'Students' tab and then click on the blue 'Add' link.

If you require any additional information or experience any problems contact the school office.
