

Dear WHPS Families,

We hope you enjoyed a restful and fun summer with friends and family. Our staff is excited to begin a new school year and can't wait to begin getting to know our WHPS student and family community!

Our [WHPS handbook](#) has been designed to provide you with information about our school, the programs we offer, school procedures and important informational items. *We encourage all parents/guardians to carefully read through it.*

WHPS is proud to have a safe, caring, welcoming and respectful learning and working environment by teaching students about the Zones of Regulation, and by using Bucket Filling, and the APPLE School program.

We prioritize academic and social success. We believe that students should learn to think independently, become more self-aware, learn self-regulation skills, be exposed to a variety of experiences and have opportunities to grow and to be healthy. All students are encouraged to actively participate in classroom lessons and in our school activities offered at WHPS.

Please check out our [website](#) and [Facebook page](#), these sites will contain important school information. You will also receive emails when important information needs to be relayed to you.

We encourage you to be involved in your child's learning and there will be many opportunities to volunteer at WHPS. We value parent/guardian engagement as it enhances your child's learning experience and helps create a community of learners!

In the upcoming month we have a few activities which we will provide you further information on in the upcoming weeks:

Sept. 2- Labour Day- No School

Sept. 6- School Assembly at 1:35 pm

Sept. 11 & 12- School Pictures
