

Dear WHPS Families,

November is upon us already! We all enjoyed our sunny fall weather. As we venture into November please remember to send your child dressed for the weather! We want our students to enjoy their outdoor experiences and being dressed for outdoor conditions enables this to happen. Thank you.

Please contact your child's teacher if you wish to volunteer. We would be very happy to have parents/guardians help out and be involved in the classroom. Please visit our [WHPS website](#) for information on the [volunteer procedure](#). Being involved by spending time in your child's classroom enables you to be a part of their learning experience!

THANK YOU to so many families who attended Parent-Teacher Interviews. We had a great turnout! Booking time to talk to your child's teacher and review your child's **learning portfolio** is so important as it allows you to see your child's learning progress and continue to work as a team to support your child! Should you have any questions regarding your child's learning, please reach out to their teacher.

Many events are happening in November. We will be sending you emails with more detailed information regarding these events. Teachers will also include these events in their weekly emails. Please check out our Facebook page <https://www.facebook.com/WHPSAthabasca> and website <https://whps.aspenview.org/> where we also provide information, highlight events and showcase learning!
